All students are welcome!

Civic Café is a weekly discussion series hosted **every Tuesday at Stix House from 5:30 to 7 p.m.** Students are invited to share a meal together and learn about civic topics from a community or campus expert. Each night will either be a Skill Building session, Democracy Dinner, or Civic Storytelling event. Graduate and undergraduate students of every discipline are invited to attend. Learn, eat, and meet other civically-minded individuals.

Food for Thought is a weekly pop-up event series curated by the Gephardt Institute. From **12 -2 p.m. each Wednesday** afternoon, students, staff, and faculty are invited to drop in for casual yet insightful conversations around the day's theme. Each week features a different topic, many of which are co-hosted by a campus partner or student group. Local snacks are always provided. Locations vary, so follow us at **@gephardtstitute on Instagram** to find us!

The **ChangeMaker Series** invites students to have a seat at the table with civic leaders from diverse sectors to connect, engage, and inspire, and inform your own civic journey. Each event highlights a WashU Alum's background, career path, and industry insights. Upcoming events can be found at: **gephardtstitute.wustl.edu/changemaker-series**.

Join **Engage STL** and **Engage MO** to explore St. Louis neighborhoods and Missouri communities with your classmates.
