Click on it and you'll see three categories: farmers, predators and merchants. Long press the skill icon for more details. If you choose the farmer class, you will protect 30% of your resources from being plundered by the enemy, increase your gathering speed by 50% and + your army load. The shortcomings of the peasant class - reducing the damage of the troops, defending the troops, and moving speed. These are the three classes in Onlyfans: anger. What's the best class? We suggest you choose the attacker or the farmer. The farmer profession provides + production buff, but the attack and defense benefits are reduced. Raider class provides attack gain and resource production loss. You can change classes at the base level 10. If you want more resources, faster collection, choose farmers. If you want high force damage, quick healing, choose the attacker. After the Hero Hall is built, you can recruit heroes. Onlyfans: Heroes in furies have four qualities: orange, purple, blue and green. Orange heroes are better than purple and blue ones. The purple one is better than the blue one. You can recruit orange quality heroes through super recruitment, purple heroes through advanced recruitment and blue heroes through ordinary recruitment. You can get free recruitment tickets every day.
